PROFESSIONAL SUMMARY

Electronics and Communication Engineering graduate with hands-on internship experience in frontend development. Skilled in Java, Spring Boot, REST APIs, SQL, Git/GitHub, and Agile methodologies. Passionate about building scalable software solutions and continuously improving backend development skills.

EXPERIENCE

Bloom IT Solutions – Front-End Developer Intern

April 2025 – September 2025

- Built responsive user interfaces using HTML, CSS, JavaScript, and React.js.
 - Integrated frontend components with REST APIs provided by the backend team.
 - Tested application functionality and APIs using Postman.
 - Managed source code using Git/GitHub and collaborated in an Agile development environment.
 - Fixed UI bugs and improved website responsiveness across different devices.
-

TECHNICAL SKILLS

- **Languages:** Java, JavaScript
 - **Frontend:** HTML5, CSS3, React.js
 - **Backend:** Spring Boot, REST APIs (Basic)
 - **Database:** SQL, MySQL
 - **Tools:** Git, GitHub, Postman
-

PROJECTS

The Classic Kitchen – Catering | Front-End Developer

- Developed a responsive website using React.js, HTML, CSS, and JavaScript.
- Designed an intuitive interface for showcasing menus and managing bookings.
- Improved website performance and user experience across devices.

Number Guessing Game | Java, Spring Boot

- Developed a web-based Number Guessing Game using Java and Spring Boot.
 - Implemented game logic to generate random numbers and validate user guesses.
 - Added feedback messages indicating whether the guess is too high, too low, or correct.
 - Managed project dependencies using Maven and tested the application locally.
 - Used Git/GitHub for version control and project management.
-

EDUCATION

B-Tech in Electronics and Communication Engineering | 8.27 CGPA
Krishna University College of Engineering and Technology, Machilipatnam.

2020 - 2024
